

APPLY TO BECOME AN ICC RESIDENT

CORRECT AS OF OCTOBER 2024

Being a resident of the Innovation & Collaboration Centre (ICC) will give you access to a range of support services and UniSA facilities as well as being a part of a supportive community of likeminded individuals.

Make the most of ICC SUPPORT SERVICES including:

- A dedicated desk, a hot desk or your own suite in a modern co-working environment, including access to meeting and presentation spaces, kitchen area and Wi-Fi in UniSA's Enterprise Hub at the City West campus.
- Access to a pool of industry experts who act as informal mentors and can connect you within your sector, sharing their business experience and skills in areas such as business strategy, sales and marketing, governance, finance, and team building.
- Business support services through a variety of ICC clients and partners including formal business coaching, IP law, business registration, and business expansion (domestically and internationally).
- Fortnightly Sprint Update sessions aimed to keep you motivated where companies share progress, successes, and challenges with their peers.
- ICC support to identify and apply for grants, awards, and competitions to provide much-needed funding or exposure within your sector.

Join our COMMUNITY for:

- Weekly social events to connect with your fellow founders, ICC and UniSA staff including catered morning teas, afternoon happy hours, and themed lunches.
- Regular networking events with the broader community, including valuable industry connections, government representatives, potential investors, and the wider startup ecosystem.
- An excellent opportunity to engage with the wider university on research projects and other forms of collaboration.
- Invitations to presentations, our lunchtime series, fireside chats, and larger sector events at the ICC and Enterprise Hub.

Get access to UniSA SERVICES such as:

- Library services, including market research subscriptions
- Prototyping facilities, including advanced 3D printing
- Tax, marketing, and legal clinics
- Subsidised gym and pool membership
- Support to engage student interns and supervise student teams.

Pricing:

	Standard price per month	Introductory offer for the first three months
